"I have had the privilege of being to India twice as part of the construction team; it has been an amazing opportunity to use my hands and feet in loving others. The feeling of home for me was very present in my entire time with the children and staff, in the conversations that arose and in the relationships that were built upon. The faith of the staff and the children is inspiring and humbling. Jesus has enlarged my heart for my family in India."

Erin MacIntosh - India Construction Team 2013, 2015 and 2016/17
