Do you long to experience a deeper relationship with Jesus?

The Retreat

Jesus said, "If you hold to my teaching, then you are really my disciples and you will know the truth and the truth will set you free."

John 8:31-32 (NIV)

As a Christ follower, do you need a fresh experience with Jesus?

"We hear so much about a living relationship with Christ, about His power to change our lives, but how can this take place? I know that for any person seeking to connect with Christ and experience His transforming power, the Set Free Retreat will prove to be life changing. You will discover biblical truths of bringing your burdens, brokenness and pains to the foot of the cross. You will learn to listen to God's heart about your own life. Step into the amazing adventure and freedom Christ offers."
